Our Christian Value this term is JUSTICE and PEACE

This week, we had a visit from the English Hub to check the progress in reading and writing across the school. We were delighted with the report with comments like, 'routines are well established with children and staff', 'very strong data, with almost all children at age related, but many above age related expectations'. Well done to the teaching team and the hard work of the children to be making such good progress.

Thank you to Year 1 for leading our collective worship with week.

A new date for the diaries – Rainbow trip to Stourhead – Friday 29th April.

Magdalen Farm Trip

This week Hurricane had a fantastic trip to Magdalen Farm. Many children returned saying that it was the best trip ever! So much learning and also some very cute animals. This was a great way to draw their food and farming topic to a conclusion.

Preschool

This week at preschool we have begun to learn about Easter. The children are learning the life cycle of chickens. They created nests made of clay and natural resources. This activity helps to develop their fine motor skills in preparation for mark making and writing.

This week we awarded a Bee Kind award to Teddy for showing exceptional kindness to everyone at preschool.

Each class will be either singing, reading poems or acting in our service, so please do come and support the children. This is the last day of term, as Friday 8th April is a staff training day.
