

Charlton Mackrell Primary School

'The one who gets wisdom loves life.' Proverbs 19:8

Newsletter 23.06.2023

Our value this term is Truth and Truthfulness.

This week has been packed with so much sporting excellence. Sports Day on Monday was full of sportsmanship, determination and amazing skills. Immediately after sports day, there was a football tournament, where the team pulled out all the stops to achieve amazing success. Our younger children all enjoyed the Key Stage 1 multi-skills at Long Sutton and the older children also shone at the athletics on Thursday. For a very small school, we do amazingly well. Thanks particularly to Mrs Carter-Rice who is the driving force behind this success. Many thanks to all the parents who came and supported their children or provided transport.

Year 6 parents - Secondary Transition Days have changed

The two main transition days for Huish Academy and Crispin Schools were due to be on Wednesday 5th July. This date has been changed. Crispin's transition day will now be on Tuesday 4th July and Huish Academy's transition day will now be 6th July. We are therefore forced to cancel the trip to Wells Cathedral for the leaver's service on 6th July.

Armed Forces Day

Many thanks to Martin, Rich, Steffi and Mikey for coming in and doing an assembly for the children in recognition of Armed Forces Day. The children were particularly fascinated with the weight of the kit and the virtual reality goggles. A great celebration of Armed Forces Day.

Congratulations to our award winners

Ticks and Forest School

We will run Forest School sessions in our own garden until the tick season has passed.

Friday ZUMBA and run

With the better weather, we are offering the children the chance to run instead of doing Zumba, so for the remainder of the academic year it may be useful to have spare shoes/ trainers on a Friday in case of wet feet from running on the field.

Dressing up box

The older children in the school have asked for a dressing up box for use at playtimes. If you have suitable items like scarves, material, blazers, dresses, plastic toy microphone or even a box to store it all in we would love you to donate them. The older children enjoy pretending they are in a band or acting out small playscripts. Props would add to their playtime fun. Thank you.

Preschool

This week in Preschool the children have been busy working with tessellating shapes to create their own pictures. They remained focused and selected their desired shapes with care, comparing their individual shape, size and colour.

The children have enjoyed parachute games this week. They listened carefully and worked together to negotiate around each other, whilst following instructions.

On Friday the children started to create paper mâché hot air balloons, using tissue paper, PVA glue and adding natural flowers and foliage. We will also be working on making stick people, in a variety of clothing, including camouflage material in recognition for our hard-working military families.
