

What are we?

Are you looking for an educational Anglo-Saxons/ Vikings trip for your school? Well these phenomenal workshops are for you. With incredible, memorable and inclusive activities, children will embrace learning.

Facilities

Enjoy lots of recently cleaned private toilets, a massive white board 100 inches across and comfortable underfloor heating and you will feel right at home on these soft, clean carpets and tables in a private classroom.

Learning

During your visit the children will be learning lots of fascinating facts such as where the Anglo-Saxons came from and settled and some detailed epic battles.

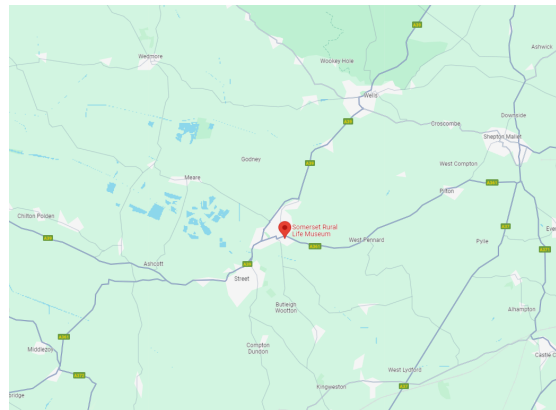

Rune making

In one of the activities the children will be making rune stones. Using quality tools, they will shape carefully, creating their very own rune stone with their initials carved in Anglo-Saxon language.

How to find us

The Rural Life Museum is situated at the foot of Glastonbury Tor near the ancient town of Glastonbury. Behind the museum is a large car park. Also, nearby schools include Charlton Mackrell CofE Primary School and Ilchester Community Primary School.
