

# What do Christians learn from the Creation story?

The Bible	The Christian holy book
Creation	The Christian story of how the world was made
The Fall	The Christian story of how humans spoilt their friendship with God.
The Ten Commandments	A list of guidelines on how to live that God gave to the people who followed him

## Key facts

Most Christians believe God the creator cares for the creation, including human beings.

Most Christians believe that because humans beings are part of God's good creation, it is important that they listen to God.

Most Christians believe that the Bible shows that God wants people to be close to him and that He gives guidelines on good ways to live (for example the Ten Commandments).

Most Christians believe that God made the world and that we should therefore look after it.

Most Christians believe that the Bible tells a story about how humans spoiled their friendship with God.
